“ *Paula, this is Charles Gattis, a second or third cousin. Mason Daniel and I had talked about getting to Russellville to see your mom, but waited too long. She died ten days after my mom, Wilma Daniel Gattis who died on August 16. They were part of a great generation and we are sad to see them go. Praying for you during this time of loss and hope your family is doing well. This site is a really nice tribute to her.*
