“ Jane, Kathy and Family,
Helen was a sweet girl working alongside her mother Carrie at Russellville Florist; always ready to lend a helping hand. She's now safe at home in our loving heavenly Fathers arms.

“ Helen was a member of the RHS Class of 71. I have very fond memories of Helen, as she always had a smile for everyone no matter who you were. She was kind and I remember that she knitted and was very good at it which amazed me because I had never seen anyone knit before. Helen was easy to talk to and had a good sense of humor. We always were seated next to each other in many classes. The older we got our lives took different directions, but I loved going by the florist and spending some time with Helen. She would patiently tell me the names of all the plants and how to care for each one. She was my friend and classmate. Rest In Peace Helen!!!
