“ Sincere sympathy to the family of Ms.Helen.My family and I were fortunate enough to live as her neighbor for over 12 years. Many times she and I shared conversations as we worked in our yards, leaning on our rake handles and chatting more than working. She was a strong, good woman, and I was, as my family was, proud to know her. God bless you and strngthen you through this difficult time.

“ I knew Helen a long time ago. My friend Art is married to her Daughter Gwen. I once helped Art to do odd jobs for his Mother-in-Law .I remember back when an ice storm caused Franklin Homes to be crushed by the weight of ice on the roof.All of us who could make it worked very long days to get precious equipment out before more damage was done. Helen showed up and helped in the effort.It was mostly Family and for a while I was lucky enough to work in that group. Those were some of the best times of my life. She was always nice to me. I know she will be missed by all who knew her.May God bless her soul.May God rest her soul in peace. My thoughts and prayers are with those of you in mourning.

Sincerely,
