She was a sweetheart and such a dear friend and support for all our family for so many years. I imagine she, my aunts Lola, Marie and my mother are already into something in heaven this morning. “ Jan, Robin and family,

*We were saddened to hear of your mother's passing. I know she had not been well for quite some time, but it is never easy, losing your mother. I still find times when I wish so to talk to my mom. And I am sure Brock feels the same way. Some one told me when my mother died that you never get over missing your mom. But, we have so much to look forward to as Christians, a life beyond this one, that never ends where there will be no tears. Please know that our prayers and thoughts are with you in these trying days. And Robin, please tell Les that we have held him up in our prayers as he goes through the loss of his mom. We did not know about that until after she was buried. So to our friends who are mourning the loss of ones so precious, we love you all and if there is anything that we can do for you, please let us know.*

*All our love,*
