“ I enjoyed working with Mr. H.L. At the Family Ed Campus in Moulton. He kept us laughing while helping the students prepare to take GED tests. He introduced me to turnip green soup and it was delicious! He was a kind man and I know he will be greatly missed!

“ I worked with H L at TVA for many years and he was one of my favorite customers. He had a great personality and always had a funny story to tell....if not, he would make one up just to make you laugh! I know he will be remembered and missed by many.

To his family, I'll be praying for you and know God will be with you in the days ahead.

“ I had the honor and pleasure to work with H L during my career with a TVA distributor. I had great respect for him. We were always happy to have him at our cooperative when he worked for TVA because of his kind and helpful manner.

To his family, he was special and I know you will miss him.
