“ Mike:

I am sorry for your loss, you Dad was a good friend, met him when I went to work for L.C. Fuller Lbr.,, and later he drove for me,, and I remember your mother would bring you when you was a little boy to the office, I thought a whole lot of your mother and dad, later your dad worked as supervisor for my lumber yard, thru the years didn't see each other much, but when we did, just took up from where we left... He will be missed... My regards to you....##imported-begin##David Howell##imported-end##

“ Mike, Sharon, Joyce, Cody and family: Our prayers are with you at this sad time. We wish that we could be there with you. Uncle Hoyle was special, because he made life "fun". We loved all of his stories. We know that Hoyle is with Jesus today without any pain, and one day we will see him again. We love all of you and you have our deepest felt sympathy. “ I'm so, so very sorry for your loss. During the time that I attended Bethel, I thought very highly of Holye, as a loving and caring person. I believe y'all were blessed to have him as part of your family. I think of your family often, especially when I flip through pictures that I have from various functions held at the church. I'm sorry that I can't express my sympathies in person, but please know that y'all are in my heart & prayers. May God comfort you.
