Walker's family has fond memories of your Dad and all the carpentry work he did for Dobbs Lumber Company, he was always so kind and never without a smile. “ God willing you and Violet are once again united!! We met through your fine gamefowl and talked a lot. We had many things in common including family, chickens, God and the way we did things. May your family be blessed in this trying time and given the strength to continue life. I know they have many fond memories of you and your wife as I do of the time we spent together. I only hope you have taught me enough to raise your fowl until the good Lord calls me home!!! Don Schupp, Missouri
