“ Jackie and family so very sorry to read of Mr. Fowler's passing. He was a very special teacher and friend to me. I have many fond memories of school days, FFA convention in Montgomery, and several years of livestock judging trips. He was always interested in what you were doing and happy to see his students doing well in life.

*I will miss seeing him sitting on his front left pew at church. He was always eager to here how things were going in Wyoming since we moved out here. May God bless you and see you through this sad time.##imported-begin##Jimmy Taylor##imported-end##*
