“ Jack was my Pawpaw's best friend. After he died, I became very close with Jack and Nellie, visiting them quite frequently. I always loved sitting and talking with them. Jack was one of the sweetest men I knew. I loved sitting with him, and hearing him tell stories from when he and Nellie were younger, and the times he and my pawpaw spent together. He was always quick to hug me when I got there and before I left, and always asked a million questions about life and my family. I'm going to miss his hugs, and those long talks with him. He was a wonderful man, who was very dearly loved. My prayers are with the family and all who knew him. Heaven gained a great man.
