“ Jack was always good for a story and made us laugh more than a few times. In some ways he was a like a big brother to us younger folks in supply. I've known him since 1988 but we spent a lot of time together from 1996 through 2001. I'll never forget his endless knowledge of all things NASCAR. He also offered a lot of advice to many of us going through the transition of relocating to Robins AFB with the 116BW. I'm glad to have known him and glad to have called him a friend. Rest in peace Jack.
