“ James was one of a kind. My first memory of James was being separated from him in church. We were 3 or 4 years old and was playing A little to actively for church. We started 1st grade together at Union and graduated at Phil Campbell. We left home to continue our education in St Louis Missouri. We shared an apartment and learned about cooking and cleaning among other things together. We later worked together for a few years. After he moved back home we did not see each other as much but talked on phone frequently. We still saw each other often. James Arthur is one of the best men I have ever known. He was a great friend and I am blessed to have known him. Rest In Peace James I hope and pray we will be reunited.
