“ *Mrs. Ruth and Family,*

I just wanted to say again how sorry I was to learn about Paw Paw Grimes. I have a lot of fond memories of coaching basketball with him all of those years at the Park and Rec. As a matter of fact, I think he and I had as much fun as the kids. I enjoyed very much watching him interact with all of his grand children and other children that he came in contact with. He taught them respect, hard work, and being a good person, but most importantly, all of them knew that he loved them. I will keep you all in my prayers.

I Love You Guys,

Jamie Brooks
