“ We haven't stayed as close as we were in our early years, but I have wonderful memories of us. Riding around in Haleyville, going to the lake, church and spending the night. Listening for Gary to go by on his way home and waving at him from your window. I love you and will always regret not making time to see you often. Love you, Beverly

“ You were one of the best parts of our family trips from MI to visit our AL family. We were only two yrs apart in age but I always looked up to you. You were so confident, so smart, you could sing LOL, you were always so fun to hang around with, listen to music, look at magazines & cool clothes and just run wild, as long as we didn't go in the woods (snakes)! Since you were first to drive and you had a car, cruising The Miracle Mile with you was so much fun. Stopping and meeting your friends, grabbing a “soda”, which you had to explain to me since in MI it is a “pop”. So many laughs, honest talks, tears and great memories. You truly were one of the best at being a great mom, grandmother, wife, daughter, sister, aunt, cousin, niece, friend and faithful believer in Jesus. My heart is heavy that you are gone, but I am great-full you are no longer struggling and at peace. Until I see you again I will miss you, but never forget you. Love you Jane❤️
