“ *Phillip...
I don't hear much from Haleyville anymore, but I just came across this notice about your Dad. I remember so well playing in your basement where he had all his ham radio equipment and him talking to somebody in Italy. That was quite remarkable to a 10-year-old boy.*

I'm sorry for your loss, and wish you and your family well.##imported-begin##Darryal Ray##imported-end##

“ *"Red" was my mentor. Someone I looked up to not only in Amateur Radio but as a friend as we served in the Alabama Army National Guard together. He was like a father figure I will never forget. I have several photos of our times in the Republic of Panama I will cherish. Mrs. Taylor, Phillip and Jeff. He was a great man I will never forget. May God Bless your family and have comfort that our Lord and Savior has Mr. Red well in his presents. God Bless you. Rob (KB4BOU).##imported-begin##Robert Wakefield Jr.##imported-end##*
