“ *Donna and Larry,*

Although earth's sun has set on one we all hold so dear, Mag's memory is bright and remains forever near. We love Mag and miss her, but we know she is now in God's loving care. We send our love and best wishes to your and your families.

“ Donna and Larry, I want you to know how much I love your mother and will miss her. My fondest memories of us visiting everyone on our summer vacations when we were young, include your family. I have always felt close to your mother as we saw her the most as you lived close by grandma and grandpa. The last several years when I have been in Alabama, your mother always welcomed us, and I was happy to just sit and catch up with her. She was very kind and loving, and I only wish we had more time to spend with her. I can only imagine how much the two of you will miss her. My thoughts and prayers are with both of you and your families, and I pray the knowledge of Aunt Maggie Jean joining your father, grandma and grandpa, and God in heaven, will provide some comfort for your grieving hearts. She is surrounded by love both in heaven and here on earth, and knew how much you two loved and respected her. I hope you know that even though we grow apart through time and distance, our love is not diminished for all of you. I am grateful for your mother's kindness and love, and I will miss her terribly. May God bless you and your families and help you in this and all your trying times. Even though we live far away, you are in our thoughts and prayers.

Love, your cousin Julie (King) Elias

“ Larry & Donna,

I understand how hard it is to let someone go that we love but many times it is the most loving thing we can do. As you may know, my Mother, Verla Mae Yocom, Aunt Maggie Jean's sister, passed away several years ago and it was such a sad and emotional time. We just have to know that we all will be there sometime in our life and as long as we have memories our loved ones will never be forgotten.
