“ My heart  breaks for the family in the loss of precious Jean...she was always so kind and sweet and always the same no matter where she was at. I loved her and Doyle. They were special..even after Jeans vision started failing she drewed and painted a picture of my grandson Nick. She loved him and his parents (my son) but she had a love for everyone. I'm sorry I'm not able to attend the services, just know y'all are in my thoughts and prayers..

“ I worked with Jean at the Textile for several years. She was one of the kindest people I have ever met. She made me a 3 ft. Christmas Tree out of Styrofoam, garland and ornaments because I had moved from Michigan and was homesick. Just set it on my machine. Took me awhile to find out who put it there. Then I saw her smiling face at the end of the line and knew. I used that tree for several years. She would talk about Doyal and her children. She always had that smile and a hug every time I would run into her around town. I am so sorry for your loss. Debra Dillard

“ Joe, Mike and Tonya, and all your family: I am so sorry for your loss. Your mom was a very special lady that I know you will miss so much. I have missed her since she left her home. She and your dad were so creative with their yard creations for holidays. Gone but certainly not forgotten. Sweet memories...

“ Jean was a blessing to so many and a blessing to me. Being 27 years older than me, when I came around she was already married to Doyal and had Mike, Joe, and Tonya. Jean was my half-sister and with the age gap, I was not able to be around her family all that often. However, as a little boy when dad would decide to go to Phil Campbell and Haleyville to visit, I was ready. Visiting Doyal, Jean, Mike, Joe, and Tonya, was always a treat and very special to me. As an adult living in Wisconsin visits were even less frequent, but when I was able to travel through Haleyville, the visits were just as special. My sister was such a blessing and encouragement to me and so many, and even though we were separated by years and distance, she carries a special place in my heart. Mike, Joe, and Tonya, I am sorry I cannot be with you through this difficult time. But in Christ, we know that this is not the end. Jean is now rejoicing with her Savior and one day, probably not that far off, we will be rejoicing together seeing that beautiful smile and feeling her hugs. Praying for God's strength and rejoicing in our hope in Christ,
Robert
