“ *To all of the Barton clan - I'm so, so deeply sorry to learn of Nette's passing. I can vividly remember her as a sub teacher in some of our classes, with her (what I considered) trademark hair, sunglasses, and that insulated mug :) She raised a hell of a family, and from what I can see via pictures, some incredible grandkids. I'm so sorry, Barton's -- you're all in my thoughts.*

“ Travis, Tracy, Travis Noel, Trent, Helen, & family, Our hearts are aching for you at the passing of our dear friend. We have so many great memories of the times we were together. Jeanette & I always had so much fun together going to ball games, waiting at practices, class activities- just being together as friends. She will be missed, but will live on in the hearts of all of us who knew & loved her. All of you are in our thoughts & prayers. May God keep HIS loving arms around each of you giving you strength, comfort, & peace during this very sad time. May you find comfort in knowing that she is in a better place with no more suffering & pain. Please know that we love all of you & are here for you if we've can help in any way.
