“ *Me and Jeff always fought each other when we were kids. He would tie a rope to the front of my bike and tie the other end to back of his bike, We would take off and I was the one that always got hurt he would do a little something to cause me to lose control of my bike and he would drag me down our gravel drive way. You would have thought I would have learned. But I did every stunt with him. But don't lay the blame all on Jeff, cause I was mean as a snake to him. I love you sweet brother. Your're in no pain. I know you are walking with Daddy and Jesus. Rest in peace now little brother.  
Love, Your sister Thresa*
