Susie, oh my, I had no idea that Jeff was gone. Bless your sweet heart! I'm so sorry for your loss. That sounds so useless, but for some reason it helps a little to know that other people will miss him, too. He was such a light in this world and a wonderful person. Any time I was out and ran into him somewhere . I guess he is having a reunion with friends and family already there in Heaven. Love to you and the family, and BIG HUGS TO YOU !!

“ I have nothing but fond memories of growing up with Jeff from a very young age all the way through high school. He was truly one of the nicest people I ever came across. Always eager to help out with anything, and with the happiest and most positive attitude. Truly a “good guy”. So many of us will miss him. Our thoughts and prayers are with his family.

Such a sweet soul. I never ran into him that he did not have a smile on and a kind word. Once my car broke down and I was sitting on the side of the road. Jeff stopped and I explained someone was on the way to get me. Jeff refused to leave until they got there just to "be on the safe side. He had a thoughtful spirit. I will miss him and feel blessed to have my memories of him.
