“ *Paislynn was so special to me, she was so beautiful and God took her home from this horrible world we live in! I believe God knows what's best for my precious granddaughter and pray she will be remembered as a smart girl who was taken to soon, just to young to understand what was best for her at this point in her young life, Nana will never forget you and I will love you and miss you forever*

“ *This has ripped my heart out. When you first found out I was having Hendrix You were mad at me ☐ I guess you thought I wouldn't care for you anymore... But when you held her the first time, you fell in love! And that made me so happy. You Maddox and Tristen bickering and annoying each other ... Well it was funny to watch and you would always look over and laugh, but tell them you were toughening them up.*

You were so loving and people saw it even when you didn't think it or want them to. You cared and you loved hard ... You just made people earn that love. I will always have a piece of my heart missing forever because that missing piece is you. The love, laughter, and life that was you ...was a gift given to us all. I love you so much Paislynn!

Pasilynn and Heni look just like real sister! Heni loved her big sissy so much, I just haven't hard to heart to tell her she's gone! She's just so young to understand, but in time I will tell her, I just can't right now!!
