The handsome guy on the left with the bandanna is the crazy friend from Haleyville High School I remember, our lockers were all very close together in the hall and we shared a lot of fond memories from the 10th grade on when I transferred to HHS. I spoke with him in February when another classmate Jerry Don Holdbrooks told me he was in the hospital and gave me his phone number. I said when he got on the phone, it is a voice from your past. Hope he remembered me fondly as I do him. He was a great guy. Carolyn Baker Krawcyk Stark Thompson St. TN.

“ Ted and I worked together in metal asm at Grand Blanc Metal Fab. He was a kind, funny guy with this great personality you couldn't avoid. He always came in early with his great grin on his face. I enjoyed him and always wanted Kim to tell me what was going on with him. I will miss him. Thanks Ted for the memories. 🙏🙏❤️😊
