“ He was always such a nice man, who loved his family, so sad to hear of his passing, but take comfort he's with God and has a new healed body, no more pain or sickness,, He always showed his love for Max and his family, he always had a smile when I asked how Max was doing,,he would come to the MWA suppers and get them a plate and would visit a minute and share how everyone was doing I could tell he loved his family!! In the Last few times I got to see him I could tell his health was going down, but he never complained always put that smile on and say you'll take care, see you next time,,so now I will smile and say see you soon up in Heaven!! I'm praying for each of you and sending my love!! I know it's hard cause I've walked in your shoes I've lost a Husband,a Mother,a father and a brother,it's hard but take comfort we all will be together in Heaven, I love each if you and praying for you all!!
