“ *Pawpaw I'm going to miss you so incredibly much. You were the best pawpaw any girl could ever hope to have! I know God has a reason for everything and that we need to trust in Him. I'll never forget all our car rides to your house and playing our silly little games, I'll never forget you putting me up a swing in the tree and pushing me on it, or the time we went out on the boat and you wanted me to ski so bad but I was so scared! Pawpaw I will love you forever and Always! Watch over us!*

“ *My uncle Roger was the first of three generations of Marines. Being a Marine myself made us brothers as well as uncle and nephew. On my last visit he shared some of his photos from Vietnam. You will be greatly missed by all. You can now assume your post at the gates of Heaven, and Semper Fidelis!*
