“ Bernice,

*We are sad to learn of Jim's passing. He was an honest, straightforward, Christian man.*

*In the early 1960's you, Jim and my parents started Winco. I never heard my parents make a single negative comment about that partnership. That is so rare for a partnership.*

*The business you started prospered and it gave both families opportunities they would not have had otherwise. Four generations of our family have been blessed by the business you started.*

*Our family considers our relationship with you and Jim as part of God's grace.*

*Please know our love and God's peace and comfort.*
