“ *Regretfully I haven't seen Jimmy Don since high school but remember him as being a large man with a soft heart. Jimmy Don seemed to always try to do the right thing in the hallways of RHS and on the football field at practice and Friday nights. He always gave max effort, was a great teammate and someone you could count on. Looking back I feel blessed to have known Jimmy Don and been a teammate and classmate from Jr High through RHS. A fond memory was playing tackle football with the Big Guy at The Junior High School on the asphalt at recess. Jimmy Don was absolutely the toughest guy in the class.*

*My condolences to Jimmy Don's family.*
