“ Our condolences and sympathies to you, Crystal and Sylvia, and you families. Jim was a good man and so thoughtful. My best memory of him is when he walked in the door with Aunt Sarah at the gathering we had at Aunt Eva's residential home, when our dad George Dominick died in 2000. We know what a sacrifice he made to drive her there and it was so special for her to be there with Aunt Eva and the rest of the family.

*May the comfort of your friends and each other bring you peace during your grief.*

*Love,*

“ I am so very sorry for your loss. I loved him a bunch. He was always so kind to me and made me feel like what I had to say made a difference. Always had a grin for me. I know this is a trying time and you are all full of loss and sorrow, just remember that he is with those that have gone before and was saving him a place. May God hold you all close because I am holding you all in my heart. Tommy is out of town and said he is so sorry he is not here. He sends his prayers.
