“ To the friends and family Jimmy left behind. Our hearts go out to you. Jimmy you will be missed. You aggravated me to no end but were a good friend to Jeff. Thankfully I know if you did not pick on someone you did not like them so I feel loved. You sure do have a little 5 year old girl here in South Alabama that cried for hours when she figured out we were talking about her Uncle Jimmy. She released balloons with a note to you (came up with that idea all on her own) You touched many people. We love you. We miss you. Peace be with you.##imported-begin##Jeff & Angela Frye & Aaralyn Ruyon##imported-end##
