“ I am heartbroken. I send love to your family and all of his friends. I was Jimmy's first driver manager at Central Refrigerated. He was so nervous the day he received his truck and had a million questions. He was such a hard worker. He was determined and in a short time became top driver on my fleet. He was a complete joy to work with, Jimmy was always kind and genuine. We worked together for many years. I changed companies but he stayed in touch...there was not one Mother's day, Christmas, Valentine's day that he didn't call. On my Birthday he would call and make sure I knew he truly cared and wanted me to have the BEST DAY. He if I didn't catch his call he would leave me a singing voicemail. He did this with a few of us that he worked with.. Jimmy had a way to make you feel special and important. He always had the best attitude and always expressed his gratitude for his family, career, friends and life.. Jimmy,, I will forever cherish your friendship. You impacted so many people in the best way. YOU WILL BE MISSED.. BUT NEVER FORGOTTEN. ♥
