“ I have such fond memories of the time I spent with Joe and his family. We didn't get together very often as I grew up in Maryland and live in Florida now, but the time we shared was great fun. My family and I loved our visits where we enjoyed great meals and listened to Joe's endless store of funny anecdotes. He kept us all in stitches. We laughed all the way back home!

While this is a sad time for our family, Joe would have us focus on our fun times together.

Please know that my thoughts and prayers are with you.

Love,
