“ Daryl and i were so sorry to hear about Joe Mac. We really did think a lot of Joe Mac and his companion Buddy boy. He loved that dog. We always talked about him when we saw each other. We often would meet going down the road and call each other and see who would get to say, I want to borrow some money first. Boy how i will miss that he was always telling me how many deer he had killed and given away. He will be missed by so many.

“ Chester and I are so saddened to hear that Joe Mac passed yesterday. He helped us so much when we started our business back in the 80's and has always been a champion of our work as well as a really supportive and good friend. He always had a smile and a hug ready for us. Joe Mac will always be respected as a genuine, hard-working, smart businessman who would help anyone willing to work. He will be missed and fondly remembered...
