“ Dear Ann and boys,

We just got news about noon today of Ray's death. We are all so saddened. Ann, of course we knew that Ray was really sick but it is still a shock for us to learn about it today. We all loved Ray and Ann at the McKissack house and have so many good memories with y'all. We talk about it still today at our house. Ann, we are so sorry that we didn't know about this in time to be with you and the boys at this time. Please let us know if there is anything we can do. We will be in touch with you soon.

*Love,
Elaine & Ray, Amanda and Angie*
