“ June, Brian and Marshall our prayers are with you during this time of grief. My memories of John and the Davidson family run deep and for many years. I am in shock, I am so sorry! There are many milestones in my life and John and June were always there.

“ Mr and Mrs Davidson were my first employers I had and from the initial interview day with them at Davidson Realty Mr Davidson called me "short stuff"; I was maybe 5 feet tall and he was a giant. After a while I don't think he even remembered my name since he had called me short stuff for so long. I'm so sorry Mrs Davidson, Brian and Marshall and the grands for your loss. Just focus on the great memories. I love you Mrs Davidson!

“ I was saddened to find out John had passed away. We first met in 1979 when he appraised the first house we bought. I spoke with him a couple of months backed when he shared some recent land sales with me. We both talked about slowing down and what we would do in retirement. He was my friend and a competent real estate appraiser. He will be missed by all who knew him.

“ *I'm really sorry to hear about John. Although I haven't seen him in several years, I do have many fond memories of him as a kid. It was always fun having getting to visit you guys. I know my dad and John were great friends. Luke thought the world of him. I love you guys, - Erik Alexander*
