“ *I just wanted you to know that we are all still thinking of you and miss you. Especially with your Birthday yesterday and Thanksgiving tomorrow. I know that you had the most beautiful birthday celebration imaginable up there in Heaven. I promise you that I will try harder to take care of your family for you. I know what you would tell me... "Don't make me put you on my haunt list!!!" 😞 No one has ever been able to make me so aggravated and then laugh so hard all within a few minutes. You taught me so much, not only about what I do in life, but about life in general. I will always be grateful for my time with you. I miss you JohnBoy, 🐢*

“ John was such a blessing and light. I so enjoyed my time getting to know him and his family over the past several years in Muscular Dystrophy Clinic and the hospital. John never failed to make me smile and surprise me. I'll miss your wit and swee spirit, John. Peace to you and your family. Love, Dr. Ashley

“ Mommy misses you and loves you. I know you are in a better place but it still hurts knowing that you are gone. You were my whole world and it is going to be so hard without you. You touched so many lives with your big heart and your amazing smile, the world is going to be a dimmer place without you in it.

Love, Mom
