“ *My thoughts and prayers go out to Deanne and her family at this sorrowful time. Johnny always had a big grin on his face from the time we were little to his last days. He was always laughing. He never had a bad thing to say about anyone and was quick to make friends with everyone he met. He would give you the shirt off his back if you needed it. He was a hard worker and always provided for his family.*

I will miss you brother. May you be at peace now.
