“ Johnny was my cousin. He helped teach me to ride my pony and later my buckskin mare. Johnny was a great cousin and friend. He was patient and kind. He would do anything to help anyone. I loved Johnny and I will miss him greatly.

“ I went to school with Johnny, and ran with him along. He was always more fun to be around than a barrel of monkeys. In a different time and location, he could have been a cowboy that would have carried Lonesome Dove. He had a good heart, was a good friend, and I am sad to lose him.
