“ *Deborah and Andy,
How can words be expressed at the loss of a child? I can't imagine the pain, except by having lived with a similar disease in our family and watching a nephew die. My prayers have been going up as soon as I heard the terrible news. May you feel the prayers and love of those around you. We love you,

There was a special place in my heart for Brent. I knew the sweetest side of him. I understood where that pain generated. He could not find his peace here but I know he has it now. My heart goes out to you all. I am so sorry I was out of town for the service
