“ WE will miss you brother! Freight Management lost a good friend and an awesome employee. I was glad to call you friend. You were a true friend. Thanks for the memories. Your favorite saying was "That's what I'm talking about" I met you in June of 1999, you and James was pushing your car into FMI, you made it to work, that was funny and you made me laugh.##imported-begin##Chip Broome##imported-end##
