Mawmaw you truly were an angel sent from God. You made an impact on all the lives you touched and spread love to those to have never met you just by showing us all how to live. You have always watched over me and protected me and now you will be doing it from the heavens. I will cherish every memory and live out the rest of my days honoring you. Rest easy. Love your Crystal ❤️

Mother you were an Angel. I'll cherish every memory and continue to show you love through my life. You are now with daddy and all the family that has passed before...but best of all you are with Jesus. Your whole life was a testimony to what you are now part of. We will miss you every day but we will meet again. Love Jackie
