“ *May you rest in peace. I was a student of coach Peck and I remember all those years ago they were notifying you and it just broke my heart for you!! I was in the 2nd grade I remember seeing both you & Mrs. Batchlor getting notified of your husband's passing. They both stayed with me my entire life. (They didn't shield children in the 80s like they do now I must admit!)*

*I followed All your efforts to get missing pets back home too, you were definitely a role model. Rest in peace*
