“ She was one of my all-time favorite teachers. Coming to a new school in 1979 after a year of the death of my father and family troubles, she made things more enjoyable because of her wonderful personality.

“ Terry, Darren, Dusten and family, Judy is what I always thought of when people said "A Southern Lady". She believed in always telling it like it was and being honest with people. She will always hold a special place in our hearts. Our girls loved her in High School and she was always willing to help them in their academics. Her smile, Her Voice, Her Presence while she was here on this earth will always be remembered. Love, The Harrison's, Cayce, Nancy, Christina, Candice, Clair and Cadee.

“ Judy, or better known as, Mrs. Pounders, was one of a kind. She was very influential in my life as a school teacher, then later as a fellow member of Calvary. She loved the Lord and she wasn't ashamed to let you know. She also loved you and she loved hard! Her facial expressions and the famous eye roll were a part of who she was! She carried the example of how to be a Godly wife, mother, and friend! I am very thankful and consider myself fortunate to have known Judy Pounders! She will be greatly missed! To her family, we offer our most sincere prayers for your comfort in the upcoming days! With love, Terry, Regina and Tyler Childers

“ *Mrs. Ponders was such a wonderful teacher. She loved all her kids the same. Always had a smile & a kind word. Whether you had her for a teacher or not she always made you feel like you had a purpose. May you find peace in knowing you will see her again. Thinking of your family at this difficult time.*
