“ To Kayla and family,
I Am so very sorry to hear about your loss. I wish i could be with you during this difficult time. I cannot say i understand your loss and pain but i can say that me and my two children battle this horrible illness everyday as well.
Kailynn baby girl,
I know that you are the sweetest little angel playing up in heaven with your other mitochondrial friends and everyone else. I know that you are no longer suffering and in pain and that is wonderful. Please look out for your mommy and daddy and show them signs that will be moments that they can cherish together forever. Please watch over your siblings as well.
