“ *Allon, Phillip and Marsha, we had some fun times together as neighbors in our childhood years and your mom was the best friend and motherly figure to each of us. She didn't mind us playing together and even your dad enjoyed us too. We were so close that we all felt like family. My heart goes out to each of you during this difficult time and I pray for your family to know that God's blessings will surround your family and give you the comfort and peace that your mom has attained rest and peace that we cannot imagine or understand. She is in the hands of God now and we must strive to meet our loved one's again in that heavenly home.*
