“ One of my favorite memories of Kathy was when we worked at Campbell Christian School in Campbell, Ca. Every week she would read stories to our kindergarten through second grade classes. She called it story time with Grandma. Every week she would have her rocking chair, gray wig, Grammie clothes and a cane. She looked like a Grammie from head to toe even though she was in her thirties She talked like a Grammie too. The kids loved her and so did the teachers. When Kathy was around there was lots of laughter and smiles. She will be missed.

Love , hugs and prayers to Bob and the family.
