“ *We share in the loss of your loved one. We have fond memories of your family especially Kathy. We are so sorry to hear about her illness and passing. She will be missed by her family and friends. We were unable to be with you in person because we had a death in our family with the funeral being out of town on Monday. On Tuesday we carried a dear friend for chemo treatments. Our thoughts and prayers are with you during this time. May God's peace and comfort you as His love guides you in the days ahead. Prayerfully, James and Barbara###imported-begin##James and Barbara Moore###imported-end##*
