“ Our sweet Shae, Carolyn, Leigh, & family, our hearts are breaking for you all, especially for Shae & his dear Mother, Carolyn. I wish there were some magic words we could say to take all the pain away, but unfortunately there isn't. All we can do is let you know how much we loved Kevin. He was a special person; he & Shae seemed like family to us. I have so many good memories from the years that we worked together at First National. Gary, Chris, & I were honored to attend Kevin & Shae's wedding. They were a beautiful couple. Kevin couldn't hide his love & happiness- it showed in his big smile! He will be missed by all who knew & loved him. May God keep HIS loving arms around Shae & all his family giving each of you strength, comfort, & peace during this very sad time.

Shae, you are a beautiful person both inside & out. You all will be in our continued prayers. Please know that we love you & are here for you if we can help in anyway.

Kevin will live on forever in the hearts of everyone who knew & loved him!

“ Kevin was a good friend. I can honestly say I would not be where I am today in my life and career without him. He and his father Austin gave me a wonderful opportunity with First National to get into the lending and management side of banking. Kevin was a constant confidante for me to learn and grow. He was always there for me when I needed any help. Thank you Kevin for all you have done for me and for others. You will be greatly missed.
