“ I loved my fern so much! When I was very young around 4 or 5, I would follow her everywhere asking her to play. She was my first best friend!

“ *I think I knew all of the Morris family since I was a child going to church at Waldrop with my family. I always thought LaFern was a sweet person never knew of her saying a cross word. She and I had been talking and playing a game on Facebook for a year or so, and I always enjoyed hearing her opinion on things and sharing her faith. I will miss my friend, and I know she will be missed by her family and other friends. Prayers for the family.*

“ *Some of my earliest, and favorite, memories are of time spent with my beautiful cousin. Fern was the most beautiful girl I knew, with her perfect complexion and just a few freckles on her nose. And she had the best sense of humor, always making those around her happy. She was sweet and smart and brave and was always there if you needed her. I know she is happy and healthy now, surrounded by those who went before, but I will miss her.*

“ Lafern and I got to play together occasionally as kids and we always had such a good time. Then I caught up with her in Jasper when she was nursing. And then next thing I know she is in for constant care. And we talked some on FB. I so hate to hear of her passing but she's at home with family and sweet Jesus and no longer in pain. My deepest condolences to the family. I know she was loved!
