“ My brother in law is truly going to be missed by me. He is dear to my heart & he could always make me laugh because he would find something to tease me about. I watched him grow in Christ & as much as he is wanted to also here he would say no way! He is checking out every Bible treasure he read about & is in the arms of his Saviour just thanking Him for His mercy & love to him. And he's talking Jesus into giving him a Bama flag in his mansion yard! Yep that would be our Larry . I am sending hugs to Babe & my heart is so sad right now. I am blessed to have been a long time sister in law & friend and love him much! To the girls I know you will miss your dad & I am also praying for you 2 & all the grandchildren! Love to all

This is Our granddaughter Rebecca Faith sitting on her Uncle Larrys lap at 2 years old & had just kissed his cheek! This is precious to us
