“ I remember Country riding around town in his old truck. That was back in days where you drove around main street and the dairy freeze. Country will never to replace BUT we will always remember him in our hearts

“ To the Dover family, our thoughts and prayers are with you all in the days, weeks, and months ahead! Country walked with God which was a witness of his life. Always a smile and sweet spirit, we will all have an empty place in our hearts. But we know beyond any questions that Country is walking and riding with Our Lord today! Ride high Country!!
