“ Coach Frost was my business math teacher and coach in PE and football. He was a quality individual, man and coach. After many years, I saw him and he wound up being involved in the funeral of my mother-in-law. I told him it was comforting to see him handling the situation. He called me when he found out my first wife had passed from his home in Alabama expressing his condolences. We stayed in touch and I called him about Coach Copeland's passing. Later, I followed up with him and he told me he was recovering from a stroke and we reminisced about DCHS and told him how much I appreciated what he did for his players.

Condolences to the family! God Bless you and Coach Frost.

Leon truly loved the Lord and lived in service for Him. He will be missed by all of us and God bless his family. He is more alive now that he is with his Lord and Savior, Jesus Christ and we will see him again.

“ My prayers to Bill and the family. Leon was a very close, family friend for most of my life. He was a coach and P.E. teacher when I entered high school in 1969. We maintained our friendship through the years with both of us working in the school system. He was with my Mom and me when my Father passed away, and was always there for me. I recruited him to start working elections in Douglas County and he eventually became the manager of the precinct where I worked. Leon was such a talented musician, spending many Friday nights at my house having “bluegrass picking sessions” with my uncle, other relatives, friends of Leon’s and me. He taught me to play the mandolin. I had the privilege of playing piano for his gospel quartet he formed. I will always treasure the friendship we had. He will be greatly missed, but I find peace in knowing he is no longer suffering and that we will see each other again in Eternity.

“ Leon and I worked together in the funeral business for years. We talked often about his deceased wife, Sandy. He is reunited with Sandy and their daughter. My prayers are with Bill and the family.

Leon was a close friend of Jean and Garey McManus . We shared many meals together at Garey's home with fun and fellowships and the Lord was always present with us. Leon and I and Garey were together in Sunday School and Church. Garey and Leon were as close as brothers could ever be and there was always much laughter and cutting up between those two. Leon helped Garey with many projects as well as Garey helping him with his. There is a joyful reunion with Leon , Garey and Jerry Oneal in heaven and they most definitely are singing together. I loved them so much and will see them all together someday. God bless Bill as he grieves the loss of his dad and for all Leon's family loss of a very good man.

Leon was a great representative of the Phil Campbell High School class of 1959. He was always friendly and outgoing. He was a great teammate on the basketball and baseball teams. We had a nice visit at the Oak Grove Cemetery three weeks ago. We know he is rejoicing with all of his family and friends in heaven. You will be greatly missed. Robert and Reba Morgan Glasgow

Coach Frost was one of the coaches on the only state football championship ever won at Douglas County High School in 1964. I was a member of that team and remember vividly all that occurred that season of GLORY.
