“ Donna & family, our hearts break with you at the passing of a beautiful soul, Leonard. He & Myrd opened their hearts to us many, many years ago and was family to us ever since. We grieve with you at the loss of their physical presence, but know they are in a better plac with no pain. Leonard was a special man & to know him was to love & respect him. He would do anything to help anyone. Among many of his talents was that he was a good cook. Our family will certainly miss him, but will always have many precious memories in our hearts. Our prayers are with all of the family at this time. 🙏🙏❤️❤️
